MEMORANDUM FOR THE DIRECTOR

SUBJECT: NATIONAL POLICY PAPER ON ETHIOPIA (REVISED)

1. We find the 21 October draft of the revised Ethiopia National Policy Paper (Part I) generally satisfactory with respect to major substantive intelligence judgements, and would recommend Agency concurrence.

2. We do not believe a SNIE on Ethiopia would be useful at this time, since the revision was undertaken primarily to accommodate Country Team proposals for additional, but limited, courses of action.

FOR THE BOARD OF NATIONAL ESTIMATES:
